# ABOUT OUR CAMPS

A specialized program to practice English as a second language to children in Hungary. Providing a unique experience for children ages 6-17.

Experienced volunteers are flown in from Canada and other English speaking countries to create and provide children with an incredible, unparalleled summer learning experience.

Our growing diverse pool of children from different countries all have one thing in common; a desire to enrich their English speaking skills and have a blast throughout the summer!

**We have welcomed children from:**  
**Hungary, France, Belgium, Austria, Germany, Slovakia,**  
**Serbia, Thailand, Russia, and Italy!**

# OUR METHOD

We strive to create a comfortable atmosphere for our campers to speak English; encouraging them to use what they have already learned in school.
